Maintaining open communication is essential to a successful property management relationship. Keeping in touch with homeowners and residents of our rental properties ensures the quality of service that you expect.

We want to make sure that all aspects of managing your property occur as efficiently and smoothly as possible. At Full Service Property Management (FSPM) we want you to feel confident that we have everything under control so that you don't have to worry about it. We provide Full Service for your rental property, so sit back and relax!

Why Choose Us?

- 🏠 **Communication:** As mentioned, communication is a focus at Full Service Property Management. You can rest assured that your questions and/or concerns will be addressed in a timely manner by one of the agents/staff in our office. We are always there for you and our residents.

- 🏠 **Advertising:** FSPM utilizes numerous websites including, but not limited to: Realtor.com, Zillow.com, Trulia.com, HotPads.com, as well as our office's main website. We also utilize My Florida Multiple Listing Service (MLS), which provides information to other offices, including approximately 35,000 agents, regarding your property. Thanks to the MLS, agents are able to see that we offer compensation to any agent who finds a qualified resident for your property. We also display a sign in the yard to draw attention to those who may be driving around in search of a property. In addition to our own advertising efforts, other agents often refer prospects to our office.

- 🏠 **Follow-up:** FSPM follows up with every lead that we receive. This ensures that your property is available to every interested party.

- 🏠 **Availability:** For your convenience (and your resident's) our office is open 6 days a week (excluding national holidays). In addition, we realize that many potential residents work during the day. Therefore we make every effort to be available for showings on evenings and weekends. We are also available 24 hours a day, 7 days a week to handle emergencies.

- 🏠 **Screening:** We screen all adult applicants using a detailed screening process. Our process includes pulling a national credit report, eviction search, and criminal background check. We also verify employment and income, as well as contacting previous landlords for additional relevant information.

- 🏠 **Leases:** To protect all parties involved, we order each of our leases from a Florida law firm that specializes in property management. We also facilitate the signing of the lease (and any associated documents), and ensure that documents have been executed in full.

🏠 **Documentation:** Before a resident takes possession of a property, FSPM completes a detailed walk-through, documenting the condition of the property. In addition, we take a minimum of 400 photographs of the home (depending on the size of the property). This provides concrete documentation of the condition of the home.

🏠 **Payments:** We provide residents with three(3) options for making payments. They may set up automatic payment through their bank, mail payments to our office, or deliver their payment during regular business hours. The first month's rent and security deposit (and pet deposit, if applicable) are collected as secured payment before we provide keys to resident(s).

🏠 **Homeowner's Funds:** Homeowner's have the option of having their funds deposited directly into their account or having a check mailed to them.

🏠 **Maintenance:** FSPM handles maintenance and repairs of the interior and exterior of the home as necessary, utilizing only licensed and insured vendors. With the exception of emergency repairs, we will seek approval for items and/or services in excess of \$200.00.

🏠 **Assessments:** Approximately every 45 days we drive by the property to make sure that the exterior and grounds are being maintained. This also gives us an opportunity to ensure that only the vehicles listed on the lease are parked at the home, helping us to know if there may be any additional residents. It may also allow us to see if there are any unapproved pets on premises.

🏠 **Records:** FSPM maintains accurate records of receipts, expenses, and accruals to the homeowner. Homeowners receive a monthly statement with copies of invoices/receipts. In addition, you can always contact us and we can provide you with the documentation you need, as necessary.

In addition to all of these services, Full Service Property Management also handles items such as:

- 🏠 Collecting rent on a timely basis, imposing late fees as applicable, and delivering a three-day notice to begin the eviction process, as necessary
- 🏠 Hand delivery of notices to residents when needed
